

Hillingdon Adult Education Language for Business

Are you speaking the same language as your customers?

In association with Haydon School we are pleased to be offering language for business courses to improve communication skills in French or Spanish.

The 16 week course is specifically tailored to provide you with the everyday language skills that are increasingly important for success in an International market.

Learners will need to have some knowledge of the language chosen in order to enrol on the course.

**Only £106
for 16 weeks
